

# COVID-19 update from Gecko

In line with the decisions taken by many other businesses across the UK following the Prime Minister's announcement on Monday evening, and to protect our employees as well as the integrity of our business, it is with regret that we have to advise you that due to the COVID-19 pandemic, Gecko will be closing all operations at the end of business on **Tuesday 24th March 2020** for the 3 weeks stipulated by the Government.

Orders which have not been despatched or completed by close of play on Tuesday will be held in our distribution centre until we re-open.

We are living in extraordinary times but we remain confident we will all come through this ultimate challenge.

We wish to take this opportunity to thank you, our valued and loyal customers, for your continued support and understanding during these incredibly difficult times.

When we are through this crisis, Gecko will be here to support you and to work with you. Together we will get through this.

Sending you our best wishes from the entire team here Gecko.

Ruth Johnson

General Manager
